# Letter from the President

SAINT MICHAEL'S COLLEGE

Office of the President

May 14, 2009

To the Class of 2009—

It is with real pleasure and great pride that I congratulate each and every graduate of the Class of 2009. You have achieved much through your hard work, commitment to learning, supportive relationships with each other and a genuine desire to succeed.

I also wish to express my deep gratitude to the faculty and staff of Saint Michael's for their enduring dedication to the College and to the Class of 2009. Their involvement has been integral to the process of your lifelong education. In turn, the institution has benefited from your presence during the past four years. This volume of the *Hilltop* will always be a positive reminder of and tribute to our shared experiences from your years here at Saint Michael's College.

It is my earnest hope that your Saint Michael's experience will continue to enrich your lives far into the future. You have my best wishes for success in all your endeavors.

Once again, congratulations!

Yours sincerely,

John J. Neuhauser  
President

# *Yearbook Dedication*

Graduating Seniors from the Saint Michael's College Class of 2009 honor Dave Landers, Professor of Psychology and Gender Studies, with the annual yearbook dedication.

Professor Dave Landers has been a strong and guiding presence for many years at Saint Michael's. After serving as a personal counselor in the Student Resource Center for twenty-three years, Dave joined the Psychology Department as a faculty member in 2005. This was the same year our class entered Saint Michael's. Dave has been a support for students at all points of their experience at Saint Michael's beginning as a regular Faculty/Staff participant in POW as well as an advisor for the Psychology Club, Psi Chi honor society, and the Student Association. Dave has a straight forward style, and he challenges students to thoughtfully consider and act when dealing with deep issues, whether it is in personal counseling, in his popular Psychology courses, or when working with student leaders.

For the way that he enriches our community by challenging us to become better people, and for the friendship and joy he has brought to the members of our class, we dedicate this edition of the Hilltop to Dave Landers.

# Senior Week

Senior Week is a time to laugh, party, and say goodbye. Seniors in the Class of 2009 bowled under black lights, drove golf balls with Faculty and Staff at the Country Club, cruised around Lake Champlain on the *Spirit of Ethan Allen*, and heard some great live music. The pouring rain at the Field of Dreams could not dampen our spirits! We recalled great memories through the Awards Brunch celebration, the Sunday night slideshow, and by reminiscing with friends.

# Student Life

## The Philosophy of Student Life at Saint Michaels

The Student Life Office strives to integrate the Mission and Goals of the College with an educational approach to student development. Critical to this achievement is student awareness of these goals and objectives which apply to their learning experience. Once a complete understanding of these goals is accomplished, the Student Life Office can work with students cooperatively to assist them in their development. The keys to this educational process are communication and interaction.

**SENIORS**

Dear Class of 2009,

Congratulations on an amazing four years at Saint Michaels! Sports, service, academics, time with friends on campus, and time spent enjoying Vermont: I hope that this year's Hilltop brings back as many fond memories of our college experience for you as it does for us. Many thanks to Linda Tran, Martina Gajdosova, and the other seniors who have spent a lot of time making our yearbook a special keepsake.

We have accomplished so much over the past four years. We cannot wait to see where our class will go and what we will do in the future! Always take these great memories and lessons learned here at Saint Michaels with you.

Congratulations and warmest regards,

Mike Stefanowicz  
Julie Griffin-Carty

Students at Saint Michaels College have many opportunities to come face to face with "real-world" problems and challenges. The firefighters and ambulance personnel of the Fire and Rescue Squad regularly face those that are literally a matter of life and death.

At Saint Michaels College, the Fire and Rescue Squad is an independent volunteer organization of young men and women students. In addition to their academic and extracurricular responsibilities, they have taken on the awesome burden of serving the public by providing fire protection and emergency medical treatment, not only on campus but also throughout a broad area of Vermont's most populous county. With the dedication and support of the Saint Michaels student, alumni, and staff volunteers, their service has continued 24 hours a day, 365 days a year, since 1969.

Saint Michaels Rescue responds to more than 2,700 calls annually involving respiratory and cardiac emergencies, motor vehicle accidents, inter-hospital neonatal transports, and more. As Vermont-certified Emergency Medical Technicians, students provide the same responsible and professional care that you would expect from any ambulance service anywhere in the country.

The Fire Unit responds to an average of 500 emergency calls per year, including structure fires, car fires, car accidents, fire alarms, and carbon monoxide alarms. As one of the first college-affiliated fire departments in New England, Saint Michaels Fire Department has been a model for colleges nationwide.

# M.O.V.E

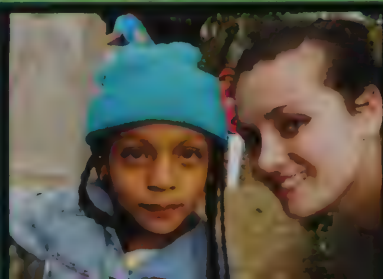

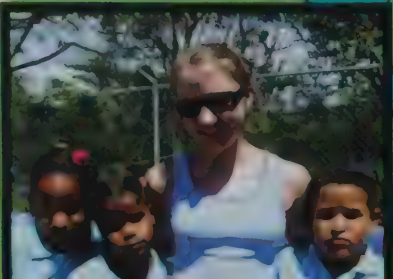

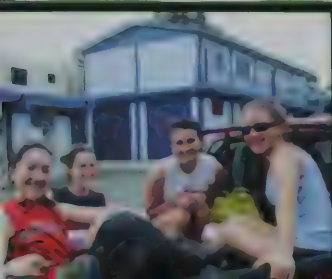

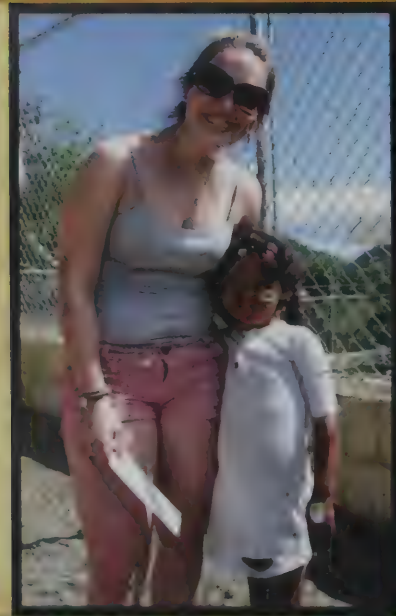

## How it all began

MOVE follows a tradition of community service that began with Fire and Rescue, Crown & Sword and the Office of Volunteer Programs. MOVE was founded in the spring of 1988. The structure was developed after a beneficial visit from Wayne Meisel, the former Director of COOL (Campus Outreach Opportunity League). A Harvard graduate concerned about the "supposed apathy" of the "twenty-something" generation, Wayne contended that most college and university students were only too willing to be of service: they simply needed the ways and means to get involved. He visited our campus, spoke about different aspects of a community service program and challenged us to make our own. From his visit we were able to get the start we needed. Fr. Michael Cronogue, SSE, the Founder of MOVE, wrote an Action Grant through The Federal Domestic Volunteer Agency to help with the necessary funding for MOVE to get started.

## Mobilization Of Volunteer Efforts

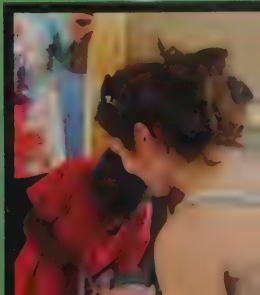

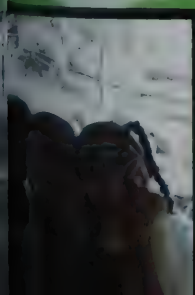

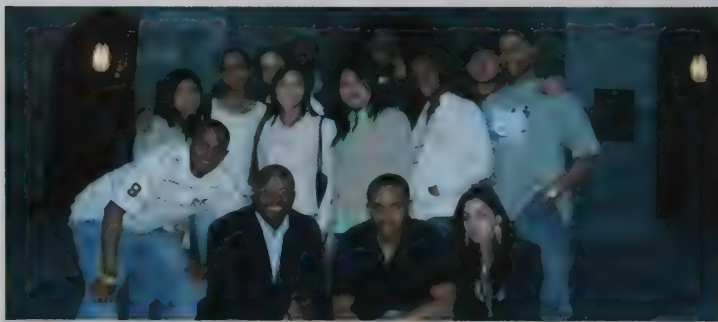

## *Dominican Republic Service Trip*

Mobilization of Volunteer Effort (MOVE) is one of Saint Michael's most popular student organizations, serving as a clearinghouse for a multitude of volunteer service opportunities. As a component of the Office of Edmundite Campus Ministry, MOVE recognizes that service is a distinct part of the Edmundite tradition.

MOVE offers student run-program which allow student volunteers in many amazing ways. From on-campus events to the local Chittenden County community, and both international and domestic service. These trips allow volunteers an opportunity to serve in global areas in need, while raising awareness and gaining insight into new cultures.

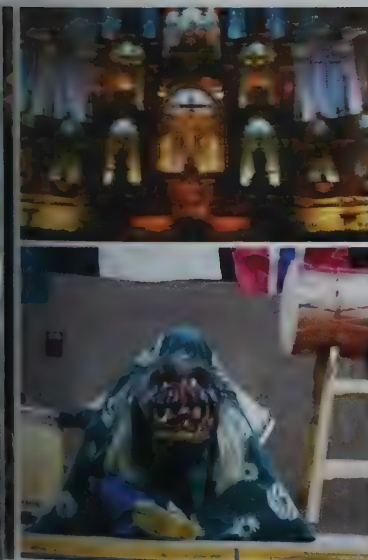

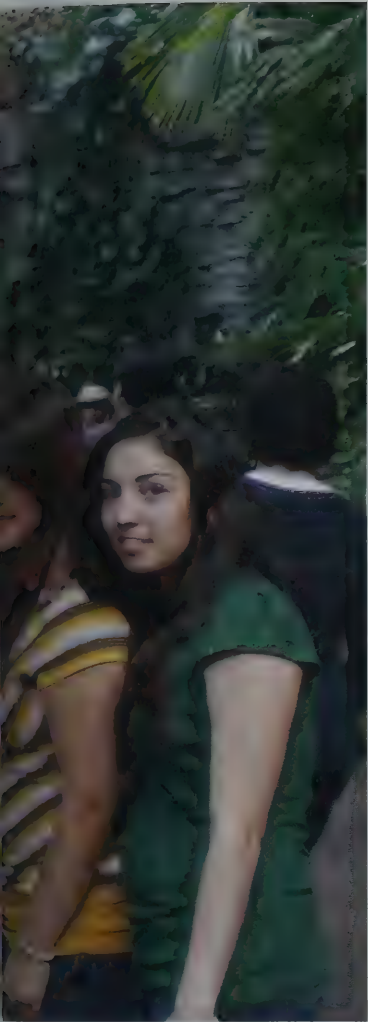

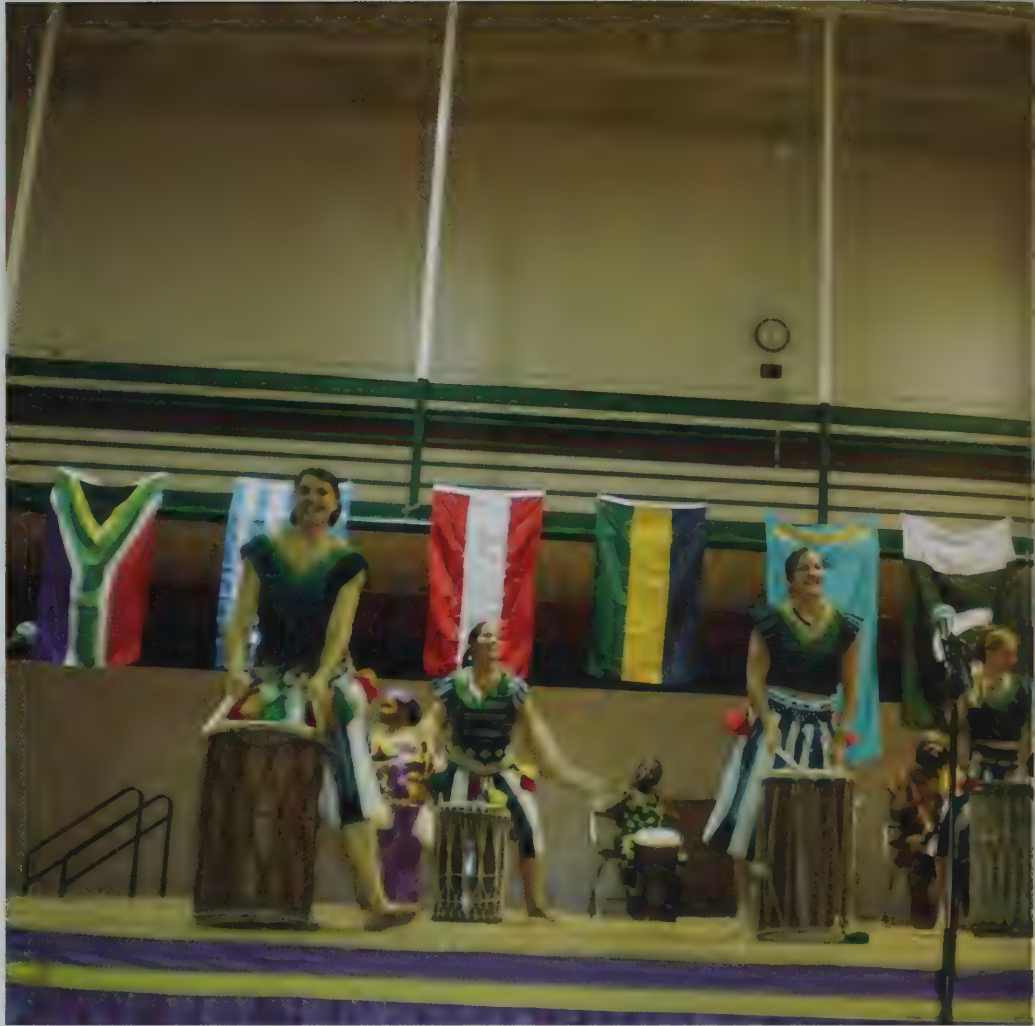

The Office of Multicultural Affairs is an intercultural center for all American and international students.

Our mission is to create an inclusive, caring, accepting and dynamic community of learners at Saint Michaels College. The office serves as a resource for students, faculty, staff and the Office of Student Life in such areas as cross-cultural communication, leadership training and development, cultural awareness, multicultural understanding, student development and identity development issues, in addition to organizing educational and recreational programs for the campus community.

The office enjoys a very vibrant environment. At any time, you will find a diverse group of students speaking various languages, working on projects, planning activities, discussing current socio-political issues, reading or doing research. The office is very open so any student can walk in and feel welcome and at home.

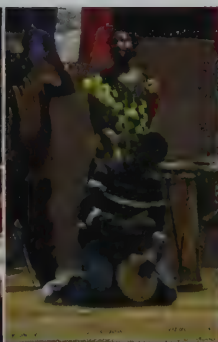

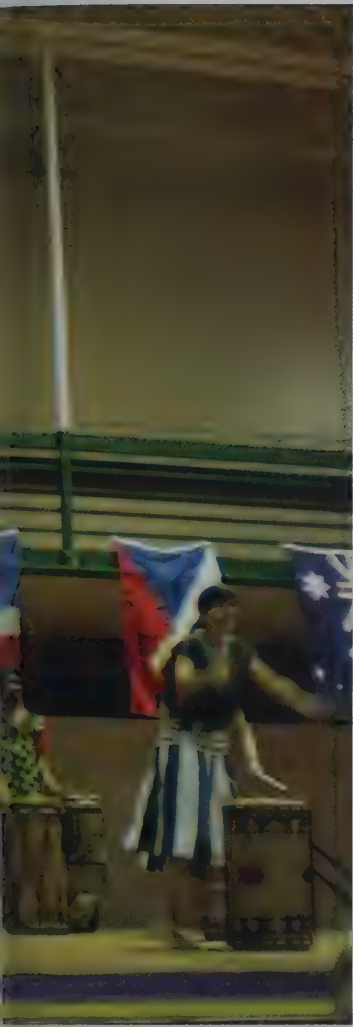

# Annual International Festival

The Annual International Festival is put on by the Diversity Coalition Club. Filling the Tarrant Gym with sounds and scents from far-off places. The festival is a chance to hear and taste something new from different countries around the world. Club members of the Diversity Coalition and International students collaborates to prepare specialties such as fish cakes from Barbados and dumplings from Japan. A stage in the center of the gym serves as a performance podium for groups specializing in a variety of international dance and demonstration. There are performances from a West African dance company, Jeh Kulu, as well as a Tae Kwan Do demonstration, flamenco dancing, and others. The Diversity Coalition present this amazing event to bring diversity to the attention of students and community members.

# WOMEN'S Volleyball

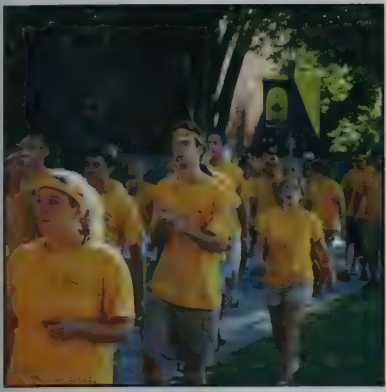

Preparation Day, or P-Day as it is more commonly referred to, one of the most anticipated annual events at Saint Michaels College, took place on Saturday, April 26. P-Day began at 11 a.m. with a trike race in front of Alliot Hall. Students gathered to watch the race on their way to brunch.

Despite the weather, many Saint Michaels students headed outside to the 300s field between 1 and 5 p.m. Throughout the afternoon, students were able to rock climb, run through an inflatable obstacle course, and play a game of human Foosball.

There was also a tent with barbecue provided by vendors around the Burlington area.

represents a world in  
us, a world possibly  
not born until they  
arrive, and it is only  
by this meeting that  
a new world is born"*

"The world would be so lonely, in sunny hours or gray. Without the gift of friendship, to help us every day."

"Sometimes you pick your friends, sometimes they pick you."

"It takes a long time to grow an old friend."
